## Volunteer (Retired 2019)

Hawthorne Volunteer since 2003

Days of the week: Tuesday

### **What motivated you to Volunteer at The Hawthorne?**

Having breast cancer, myself. I like volunteering in the hospital because I feel at home here since I worked in a hospital for man-years.

### **What do you enjoy most about volunteering?**

I enjoy being with people who have the same problems. I enjoy talking with them and encouraging them through their illness.

### **What situation has touched the most?**

Watching Robin heal both physically and emotionally from her surgery
